By Joseph Robinette

July 18 - 27, 2013

This new dramatization of C.S. Lewis' classic, set in the land of Narnia, recreates the magic and mystery of Aslan, the great lion, his struggle with the White Witch, and the adventures of four children who inadvertently wander from an old wardrobe into the exciting, never-to-be-forgotten Narnia. The intense action features chases, duels and escapes as the witch is determined to keep Narnia in her possession and to end the reign of Aslan. This story of faith, love, courage and giving, with its triumph of good over evil, is a true celebration of life.
