

GREEN ROOM

GAZETTE

SEPT 2025
Volume LXXVIII No.2

Hello and Greetings from the Green Room!

Season 78 is off to an incredible start! Thank you to the tireless work and talents of the cast and crew of *Something Rotten!* The show is amazing and receiving rave reviews!

The lobby refresh is still in progress but moving along. I've enjoyed watching the years of posters scroll through the screens. I get a lot of joy seeing patrons (old and new) get caught up in the nostalgia of seeing all those posters too!

New to our little theater this season is Audio Description. This is a service provided to our community who may be blind or experience low visibility. Our first Audio Description was presented during *Seussical Jr.* It was so overwhelmingly received that we have decided to do our best to offer all season for our main stage shows. Thank you to Terri Dillion, Gregg Irwin, and Nikki Wesselman for driving this forward. We are looking for volunteers to help describe shows and of course sponsorship to help offset costs associated with this service. Please reach out if you or someone you know is interested in learning more.

Congratulations to Kellie Black Chavez for her election as President of Stage Coach Theatre. Well deserved and she will do a great job. We look forward to continuing the great relationship between our theaters. To help ease some of the load that comes with presidenting (if it wasn't a word before, it is now) our Board of Directors has offered Shannon Peterson a position as Co-Box Office Manager with Kellie. This is a very Dynamic Duo that work hard to make sure our theaters day to day operations run smooth. Congratulations to you both and thank you.

Thank you,
Clay Lee

DON'T MISS DICE STAGE RIGHT! IN THE BLACK BOX THEATER STARTING SEPTEMBER 18TH

Dungeons & Dragons (DND) is a collaborative storytelling game where players create unique characters and embark on adventures guided by a Dungeon Master (DM). The DM sets the scene, plays all the supporting characters, and describes the challenges, while the players make choices and roll dice to determine what happens next. A DND live show takes this imaginative, unscripted game and brings it to life on stage – blending theater, improv comedy, and audience participation. Unlike a traditional play with a set script, every performance is completely unique because the players' choices (and the luck of the dice!) shape the story in real time. In our black box theater, this creates an intimate and interactive experience where the audience feels like they are part of the adventure, watching epic battles, dramatic twists, and hilarious moments unfold right before their eyes.
